

Mover – Greenville Moving Company

Want to Get Paid to Stay Active, Work with a Solid Crew, and Skip the Office Life?

At **Greenville Moving Company**, we're not your typical moving company — we're local, we're growing, and we believe in creating an awesome place to work. Based in the heart of the Upstate (Greenville, SC), we help people with one of the most stressful days of their lives — and we make it smoother, safer, and (dare we say) enjoyable.

We're hiring **Movers** who are strong, reliable, and ready to be part of a team that works hard and has a good time doing it. If you're looking for a job that changes every day, keeps you in shape, and doesn't box you into a boring 9–5, this is it.

Why You'll Love This Job

- **Set Your Own Schedule** – You choose the days you want to work. Seriously.
- **Higher Pay Than Most Moving Gigs** – \$18–\$20/hr starting out.
- **Get Paid to Work Out** – Ditch the gym. Get stronger *and* get paid.
- **No Two Days Are the Same** – Different places, different people, every day.
- **Laid-Back but Hardworking Crew** – You'll work with a team that's fun, friendly, and actually cares.

What You'll Be Doing

- Load and unload furniture, boxes, and other items from homes, offices, and storage units.
- Lift heavy stuff — pianos, dressers, gun safes, you name it — using proper technique.
- Secure items safely in the truck so nothing shifts or breaks.
- Handle fragile or valuable items with care and professionalism.
- Communicate and coordinate with your crew to keep things running smoothly.
- Stay active and on your feet for most of the day (stairs included).

What You'll Need

- A strong work ethic and team mindset.
- Physical stamina and strength (you'll be lifting heavy things all day).
- A good attitude — we're here to make people's lives easier, not harder.
- Ability to follow instructions and work efficiently.
- A valid driver's license is a bonus, but not required.
